

DUA'S

FORGIVENESS

○ Allah! We ask You to forgive our sins before we leave this place. Let our good efforts be met with Your gratitude, our good deeds be profitable, and our deeds successful. ○ You The Most Merciful. (1)

○ Allah! Make my efforts worthy of acceptance, and my sins forgiven, my deeds accepted, and my flaws concealed. ○ The Best of those who hear. (2)

○ Allah! Forgive me because You love forgiveness and You are All Forgiving. (3).

My Lord, grant me forgiveness and turn towards me. You are indeed The Oft-Returning, Most Merciful. (4)

○ Allah I am asking You – ○ Allah, The One. The Eternal Absolute and The One Who begets not and Who is not begotten, there is none like unto You – to forgive my sins, verily You are Most Forgiving, Most Merciful. (5)

○ Allah! You are my Lord, there is no deity worthy of worship but You. You created me and I am Your servant, and I am faithful to my covenant and my promise (to You) as much as I can. I seek refuge in You from all the evil I have done. I acknowledge before You all the blessings You have bestowed upon me, and I confess to You all my sins. Grant me forgiveness for nobody can forgive sins except You. (6)

○ Allah! Forgive my past and future sins and whatever I have done in secret,

and whatever I have done in public. You are The One Who brings forward and Who delays, there is no deity worthy of worship but You. (7)

O Allah! I have done great injustice to myself. No one forgives sin but You, so grant me forgiveness from Your Presence, and show mercy upon me; You are indeed The Oft-Forgiving. (8)

O Allah! Cleanse my heart with water of snow and hail, and cleanse my heart from all sins as a white cloth is cleansed from dirt. Distance me and my sins as You have distanced the East from the West. (9)

O Allah! I seek refuge in You from knowingly (or unknowingly) associating anything unto You, and ask Your forgiveness for what I do not know. (10)

O Allah! Grant me forgiveness and show mercy on me. Grant me well-being, and grant me provision. (11)

THE QUR'AN

O Allah! Make the Holy Qur'an the delight of my heart, the light of my soul and the relief of my sorrow and grief. (12)

O Allah! Help us to recite the Holy Qur'an all day and night in the way that pleases Your Lordship.

O Allah! Let it be a cure for our hearts and a remedy for our diseases and let it be our saviour from the Fire. (1)

O Allah! Let us be amongst the people of the Qur'an who are the closest people to You. O You The Merciful of all. (1)

O Allah! Let us be of those who do *Halaal* things mentioned in the Qur'an and avoid *Haraam* things mentioned in it. Let us be of those who recite it well and understand its clear meanings, as well as the hidden ones. (1)

O Allah! Make victorious Your religion, Your Book (the Qur'an) and the *Sunnah* of Your Prophet Muhammad. (1)

O Allah! Take me closer towards Your pleasure, and keep me away from Your anger and punishment. Grant me the opportunity to recite Your verses (of the Qur'an), by Your Mercy, O The Most Merciful. (2)

THIS LIFE / THE HEREAFTER

○ Allah! We ask You for everything that is good, in this life and the Hereafter, whether we know it or not; and we seek Your protection from everything that is bad, in this world or the Hereafter, whether we know it or not. (1)

○ Allah, by Your Mercy! Make things easy for us and help us do anything that pleases you and is good for us in this world and the Hereafter. (1)

○ Allah! Set right our religion that guards our souls from sins, make this world where we live better for us and make the Hereafter to where we return better for us. Let life be a cause for more good, and let death put an end to any evil that may befall on us. (1)

○ Allah! Make our last days better in all aspects, and spare us from humiliation in this world and punishment in the Hereafter. (1)

○ Allah! Keep us firm with the word that stands firm in this world and in the Hereafter, and make us of the saved ones. (1)

DEATH

○ Allah! We ask you for full *Eeman* (faith), true conviction, acceptable deeds and true repentance before death; rest and ease on death; and forgiveness and mercy after death. (1)

○ Allah! Purify our hearts, cover our defects, forgive our sins and **let the last of our deeds be the best**. ○ Lord of the worlds. (1)

○ Allah! Let our last days be the best days of our life, and our last deeds be the best of our deeds. And the best day, the day we meet You. (1)

○ Allah! You are our refuge when all doors are closed in our face. You are our hope when we become separated from our loved ones and left alone to face our fate after death. Where no good deeds can be accepted any more. (1)

○ Allah! Make the agony of death easy for us and take our souls while You are pleased with us. (1)

○ Allah! Let us live as Muslims and die as Muslims without disgracing or subjecting us to temptations. (1)

○ Allah! Cleanse my heart from the sickness of arrogance and pride, and let me die as a sincere, humble Muslim. (2)

○ Allah! Keep me alive in humility, and cause me to die in humility, and raise me amongst those who are humble. (13)

THE GRAVE / JUDGEMENT DAY

O Allah! Let the grave be our best home after death, make its narrow vaults wide and spacious.

O Allah! Have mercy on us when we stand humble on the Day of Judgement, make our feet go steady on the narrow path of *Siraat*, save us from the agonies of the Day of Judgement and make our faces white when the faces of the criminals and disbelievers become black.

O Allah! Let us have an ever quenching drink from the *Haud* (pool) of Your Prophet Muhammad. (1)

O Allah! Light the graves of Muslims who have died, and be merciful and make life easier for those who are still alive. (1)

O Allah! Have Mercy on those Muslims who have died believing that there is no god other than You, and that Prophet Muhammad is Your Messenger.

O Allah! Have mercy on them and forgive their sins, make them right and cast Your pardon upon them. Let them rest in peace, make their access wide enough and wash them with rain water, snow and ice; clean them from sins as a white dress is cleaned from dirt. (1)

O Allah! Let their graves be spacious and full of light and joy so they rest in peace till they are raised up secured on the day of Resurrection. We ask You to have Mercy on us too when we will become like them under earth....lonely and helpless, as no more deeds are allowed. (1)

O Allah! Let my account be taken by an easy reckoning. (14)

O Allah! I seek refuge with You from the punishment of the Fire, the afflictions of the grave, the punishment of the grave, the evil of the affliction of poverty and from the evil of the affliction caused by Al-Masih Ad-Dajjal. (15)

O Allah! Deliver me from Your punishment the Day You raise Your servants. (16)

HELL/PARADISE

O Allah! We ask You to be pleased with us, reward us with Paradise and we seek Your refuge from Your anger and the punishment of the Fire. (1)

O Allah! We ask You for Paradise, and to bring us closer to it by any act or saying; and protect us from the Fire and from any act or saying that brings us closer to it. (1)

O Allah! You hear our supplications even before we utter them as You can cover the dry bones with flesh. We call You to spare our necks, and those of our parents, and of all Muslims from the fire of Hell. (1)

O Allah! On this day, open for me the doors of the Heavens, and lock the doors of Hell from me. Help me to recite the Qur'an, O The One Who sends down tranquility into the hearts of the believers. (2)

O Allah! I am asking You, for to You belongs all praise, there is none worthy of worship but You, You are One, there is no partner unto You, The Benefactor, O Majesty, Honour and Bounty, The Living, the Self-Subsisting, I am asking You (for) Paradise and seek refuge from Hell. (17)

O Allah! I ask You for all the good that is near and that which is far, the one of which I know of and the one I do not.

O Allah! I ask You for the good of what Your Prophet and Servant asked of, and I seek refuge in You from the evils of which Your Prophet and Servant asked of.

O Allah! I ask You for Paradise and for such deeds and sayings that will bring me closer to it, and I seek refuge in You from the deeds and sayings which would take me further from it. I ask You to make all decisions good for me. (18)

RAMADHAAN

O Allah! Let us complete the month of ramadhaan in such a manner that will meet Your satisfaction; spare us from Your punishment and from the Fire of Hell and let our final abode be in Your Paradise. (1)

O Allah! Let us live to fast Ramadhaan for many years to come and many times to elapse. (1)

O Allah! Accept our fasting and prayers during the Holy Month; forgive our mistakes and sins, and help us to observe Your commands to enable us to be prepared for what is to come. (1)

O Allah! Let us be steadfast on the right path all the time, whether during Ramadhaan or other than Ramadhaan. (1)

FOR OURSELVES

O Allah! Give us piety and purify our souls. You are The Master and Lord of the souls. O Allah! We seek Your guard from vain knowledge, lack of fearing You, and from having an unsatisfied soul, and an unanswered supplication. (19)

O Allah! Let us be satisfied with the *Halaal* (permissible) and separate us from the *Haraam* (prohibited). Enrich us with Your favours so that we wont be in need of anyone else. (1)

O Allah! We ask You that we may do charitable (good) works and avoid objectionable deeds. We ask for Your forgiveness and blessings. O Allah! **You want to test our Faith, it is better for us to die than to fail the test.** (1)

O Allah! Guide us to the best of manners and deeds. You are the only One who guides best; and keep us away from the worst of deeds..... no one can avert these from us than You. (1)

O Allah! Relieve us from all distress, alleviate all our worries and cure all our illnesses. (1)

O Allah! We ask You to grant us from Your great favors, and not to deprive us from Your endless bounties.

O Allah! Give us and do not forbid us. Give us more and do not decrease it. Keep us related to You and not cut off. Lead us to the right path and make it easy for us. (1)

O Allah! Let us be among those who called You and had their calls answered; those who asked for Your guidance and were guided; who sought Your victory and were given; who relied on You and were satisfied; and those who repented and got their repentance accepted. (1)

○ Allah! Purify our souls from hypocrisy, our tongues from lying and our eyes from treachery. You know the treacherous eyes and what is buried in the hearts. (1)

○ Allah! We ask You for guidance, piety, virtuousness and affluence. (1)

○ Allah! Guard us with Islam all the time, whether we are standing, sitting or lying. Protect us from the malicious acts of the enemy and the envious. (1)

○ Allah! You control all the hearts so make our belief in Islam steadfast, give us strength to overcome our weaknesses and be our Guardian, release our captives, heal our fractures, and let our bodies be prohibited to the Fire. (1)

○ Allah! Save us from disease, agony, enemy's satire, and ill-fate. Let us live a happy and healthy life, and enjoin upon us the same abode of martyrs and the neighbourhood of Prophets.

○ Allah! Give us patience to face difficult times and to win against our enemies. (1)

○ Allah! Help me to remember, praise and worship You well. (20)

○ Allah! Teach us what is useful and let us benefit from what You have taught us. (1)

○ Allah! Let us love *Eman* (faith) and make it nice to our hearts and let us hate disbelief, blasphemy and disobedience, and make us among those guided by You. (1)

○ Allah! We seek Your pleasure to guard us against Your anger, and Your mercy to guard us against Your punishment. However much we try to praise You, we cannot praise You as much as You have praised Yourself. (21)

○ Allah! Do not condemn me for slips, make me decrease mistakes and errors. Do not make me a target for afflictions and troubles, by Your Honour, ○ The Honour of the Muslims. (2)

○ Allah! Purify me from uncleanness and dirt. Make me patient over events that are decreed, grant me the ability to be pious, and keep company with the good, by Your Help, ○ The Beloved of the destitute. (2)

○ Allah! Do not let me degrade myself by incurring Your disobedience, and do not strike me with the whip of Your punishment. Keep me away from the causes of Your anger, by Your Kindness and Your Power, ○ The Ultimate wish of those who desire. (2)

○ Allah! Keep me away from mistakes and sins of the day, and grant me that I remember You continuously throughout the day and night. (2)

○ Allah! Change my affairs from (being) difficult to (being) easy, accept my apologies, and decrease for me (my) sins and burdens, ○ The Compassionate with His righteous servants. (2)

○ Allah! Let me love You as You deserve to be loved, and let me fear You as You deserve to be feared, and let me leave this world serving Your Ummah. (2)

○ Allah! Turner of the heart, establish my heart on Your religion. (22)

○ Allah! Turner of the heart, move my heart to obey You. (23)

○ Allah! I seek refuge with You from cowardice, and seek refuge with You from miserliness, and seek refuge with You from reaching a degraded geriatric old age, and seek refuge with You from the afflictions of the world, and from the punishment in the grave. (24)

O Allah! Your Mercy I do desire, so do not forsake me nor entrust me to myself even for the blinking of an eye. Facilitate all my affairs, there is no deity worthy of worship but You. (25)

O Living, O Self-Subsisting, in Your Mercy do I seek help. (26)

O Allah! Cast light in my heart, light on my tongue, light in my eyes, light in my ears, light on my right, light on my left, light above me, light before me, light behind me, and cast light in my soul. And give me immense light. (27)

O Allah! Set right my religion which is the basis of my affairs, set right my world which is my subsistence, set right my Hereafter to which I shall return, and make my life the source of abundance in every good thing, and make death a comfort for me from every evil. (28)

O Allah! I seek refuge in You from poverty, from want, from humiliation, and I seek refuge in You from wronging another or being wronged. (29)

O Allah! I seek refuge in You from the evil of my hearing; the evil of my sight; the evil of my tongue; and from the evil of my heart. (30)

O Allah! I seek refuge in You from a heart which is not humble; from *du'a* what is not answered; from a soul which is not satisfied; and from knowledge that is of no benefit. I seek refuge in You from all these four. (31)

O Allah! I seek refuge in You from appalling character; deeds; desires; and diseases. (32)

O Allah! I seek refuge in You from the bad day; from the bad night; from the bad hour; from the bad companion; and from the bad neighbour of the house of abode. (33)

O Allah! Guide the Muslim women and protect them from displaying their charms and beauties, and guard them against the misleading disbelievers and corrupted persons. (1)

O Allah! Help our brothers everywhere to gain victory over Your enemy and theirs.

GENERAL

O Allah! It is You we worship, and unto You we pray and prostrate, and towards You we hasten and You we serve. We hope for Your Mercy and fear Your punishment, verily Your punishment will fall upon the disbelievers.

O Allah! We seek Your aid and ask Your pardon, we praise You with all good and do not disbelieve in You. We believe in You and submit unto You, and we disown and reject those who disbelieve in You. (34)

O Allah! Guide us with those whom You have guided; protect us from evils along with those whom You have protected; support us along with those whom You have supported; bless what you have given us, protect us and avert from us the worst things that You have judged upon us, as You judge and no one can judge upon You. Those under Your support will never be humiliated and those whom You have disgraced will never be honoured. (35)

O Allah! Give us a share of Your fear to prevent us from disobeying You; of obedience to guide us to the way to Your paradise; and of certainty to relieve us from the burdens of life.

O Allah! Let us enjoy our hearing, sight and powers throughout our life span and make it a heritage afterwards.

Direct our revenge towards those who were unjust to us and help us against our enemies. Let us not suffer a calamity concerning our religion and make us not take this world as our greatest concern or a goal for our knowledge. (1)

O Allah! There is no lord to call but You and no master to ask from but You. Who else can we call or ask from while You are The Most Generous. (1)

O Allah! Let those who want to harm the Muslims have the same taste of what they have been plotting returned to their own necks, and keep them busy with their own troubles and let them destroy themselves with their own hands. (1)

O Allah! Raise the standing of Islam and Muslims and degrade the standing of *Al-Kufr* and *Al-Kafiruun* and the *shirk* and *Mushrikeen* (who associate others with Allah). Destroy the enemies of religion. (1)

O Allah! Make piety and this religion of truth You sent Your Messenger with, to triumph over all other religions, despite the bad will of the disbelievers. (1)

O Allah! You have said 'Call me and I will answer', and here we have called You, so hear and answer our call. (1)

May the blessings and peace upon our Prophet Muhammad , his family, his Companions, and followers. (1)
